Dear Emily Schmid,

On July 3, 2020, Bayer Crop Science submitted an application and tentative label for registration of XtendiMax® With VaporGrip® Technology (Alternate Brand Name: M1768 Herbicide), EPA Reg. No. 264-RERN (Package ID EP-844485, CDX confirmation code CDX_2020_006920). Following a request by the U.S. EPA on July 7, 2020, Bayer provided the Confidential Statements of Formula (EPA Forms 8570-4) for XtendiMax With VaporGrip Technology on July 10, 2020. In continued support of the 2020 registration decision for XtendiMax With VaporGrip Technology, Bayer herein provides an outline of its proposed changes to the prior XtendiMax With VaporGrip Technology label, along with a summary and discussion of relevant scientific information and studies conducted by independent academics and Bayer.

This application is being submitted electronically and contains the following documents:

- This cover letter
- Application for Pesticide Registration – EPA Form 8570-1
- Public Data Matrix (8570-35)
- Agency Data Matrix (8570-35)
- Transmittal Document
- Report: Summary of Submissions: Support of Registration of XtendiMax®, MRID No. **51208201**
